

Senate Bill No. 792

CHAPTER 985

An act to add Sections 3027.5 and 3201 to the Family Code, and to amend Section 827 of the Welfare and Institutions Code, relating to child custody.

[Approved by Governor October 10, 1999. Filed
with Secretary of State October 10, 1999.]

LEGISLATIVE COUNSEL'S DIGEST

SB 792, Ortiz. Child custody: reports of child abuse.

Existing law authorizes the court to impose specified sanctions against any person found to have knowingly made a false accusation of child abuse or neglect during a child custody proceeding.

This bill would provide that no parent shall be placed on supervised visitation, or be denied child custody or visitation, and no custody or visitation rights shall be limited, solely because the parent lawfully reported suspected sexual abuse of the child or took other actions with respect to suspected sexual abuse of the child, as specified. However, the bill would authorize the court to limit a parent's custody or visitation rights if it finds substantial evidence that the parent with the intent to interfere with the other parent's lawful contact with the child made a false report of suspected child sexual abuse, if that limitation would be in the best interest of the child, and if the court has considered the state's policy of assuring that children have frequent and continuing contact with both parents, as specified. The bill would additionally require any supervised visitation imposed by the court to be administered pursuant to the California Standards of Judicial Administration recommended by the Judicial Council.

Existing law imposes limits on access to specified records of juvenile court proceedings but provides for an exception thereto in accordance with specified legislative intent.

This bill would revise this statement of legislative intent.

The bill would incorporate additional changes to Section 827 of the Welfare and Institutions Code proposed by SB 199 and SB 334, to be operative if this bill and one or both of the other bills are enacted, and this bill is enacted last.

The people of the State of California do enact as follows:

SECTION 1. Section 3027.5 is added to the Family Code, to read:

3027.5. (a) No parent shall be placed on supervised visitation, or be denied custody of or visitation with his or her child, and no custody or visitation rights shall be limited, solely because the parent (1)

lawfully reported suspected sexual abuse of the child, (2) otherwise acted lawfully, based on a reasonable belief, to determine if his or her child was the victim of sexual abuse, or (3) sought treatment for the child from a licensed mental health professional for suspected sexual abuse.

(b) The court may order supervised visitation or limit a parent's custody or visitation if the court finds substantial evidence that the parent, with the intent to interfere with the other parent's lawful contact with the child, made a report of child sexual abuse, during a child custody proceeding or at any other time, that he or she knew was false at the time it was made. Any limitation of custody or visitation, including an order for supervised visitation, pursuant to this subdivision, or any statute regarding the making of a false child abuse report, shall be imposed only after the court has determined that the limitation is necessary to protect the health, safety, and welfare of the child, and the court has considered the state's policy of assuring that children have frequent and continuing contact with both parents as declared in subdivision (b) of Section 3020.

SEC. 2. Section 3201 is added to the Family Code, to read:

3201. Any supervised visitation maintained or imposed by the court shall be administered in accordance with Section 26.2 of the California Standards of Judicial Administration recommended by the Judicial Council.

SEC. 3. Section 827 of the Welfare and Institutions Code is amended to read:

827. (a) (1) Except as provided in Section 828, a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer, may be inspected only by the following:

(A) Court personnel.

(B) The district attorney, a city attorney, or city prosecutor authorized to prosecute criminal or juvenile cases under state law.

(C) The minor who is the subject of the proceeding.

(D) His or her parents or guardian.

(E) The attorneys for the parties, and judges, referees, other hearing officers, probation officers and law enforcement officers who are actively participating in criminal or juvenile proceedings involving the minor.

(F) The superintendent or designee of the school district where the minor is enrolled or attending school.

(G) Members of the child protective agencies as defined in Section 11165.9 of the Penal Code.

(H) The State Department of Social Services to carry out its duties pursuant to Division 9 (commencing with Section 10000), and Part

5 (commencing with Section 7900) of Division 12 of the Family Code to oversee and monitor county child welfare agencies, children in foster care or receiving foster care assistance, and out-of-state placements.

(I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and shall not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services shall not contain the name of the minor.

(J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

(K) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) Any records or reports relating to a matter within the jurisdiction of the juvenile court prepared by or released by the court, a probation department, or the county department of social services, any portion of those records or reports, and information relating to the contents of those records or reports, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, any of those records or reports, any portion of those records or reports, and information relating to the contents of those records or reports, shall not be made attachments to any other documents without the prior approval of the presiding judge of the juvenile court, unless they are used in connection with and in the

course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal may disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this section is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or

probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: “Unlawful Dissemination Of This Information Is A Misdemeanor.” Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor’s subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor’s school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

SEC. 3.1. Section 827 of the Welfare and Institutions Code is amended to read:

827. (a) (1) Except as provided in Section 828, a juvenile case file may be inspected only by the following:

- (A) Court personnel.
- (B) The district attorney, a city attorney, or city prosecutor authorized to prosecute criminal or juvenile cases under state law.
- (C) The minor who is the subject of the proceeding.
- (D) His or her parents or guardian.
- (E) The attorneys for the parties, and judges, referees, other hearing officers, probation officers and law enforcement officers who are actively participating in criminal or juvenile proceedings involving the minor.

(F) The superintendent or designee of the school district where the minor is enrolled or attending school.

(G) Members of the child protective agencies as defined in Section 11165.9 of the Penal Code.

(H) The State Department of Social Services to carry out its duties pursuant to Division 9 (commencing with Section 10000), and Part 5 (commencing with Section 7900) of Division 12 of the Family Code to oversee and monitor county child welfare agencies, children in foster care or receiving foster care assistance, and out-of-state placements.

(I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and shall not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services shall not contain the name of the minor.

(J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

(K) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, which pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after

a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (J), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be made as an attachment to any other documents without the prior approval of the presiding judge of the

juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, and other forms of delinquency and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal may disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this section is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school

district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: “Unlawful Dissemination Of This Information Is A Misdemeanor.” Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor’s subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor’s school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a “juvenile case file” means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

SEC. 3.2. Section 827 of the Welfare and Institutions Code is amended to read:

- (I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. (b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. In addition, the principal may disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to

avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this section is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) Notwithstanding subdivision (a), a written notice that a petition to declare a pupil enrolled in a public school, kindergarten to grade 12, inclusive, a ward of the court pursuant to Section 602 for the commission of a violent felony as defined in subdivision (c) of Section 667.5 of the Penal Code shall be provided by the court or its designee, within seven days, to the superintendent of the school district of attendance. (J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

(K) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, which pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after

a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (J), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be made as an attachment to any other documents without the prior approval of the presiding judge of the

juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, and other forms of delinquency and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal may disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this section is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) Notwithstanding subdivision (a), a written notice that a petition to declare a pupil enrolled in a public school, kindergarten to grade 12, inclusive, a ward of the court pursuant to Section 602 for the commission of a violent felony as defined in subdivision (c) of Section 667.5 of the Penal Code shall be provided by the court or its

designee, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense alleged to have been committed by the minor and whether the minor has been released from a secured detention facility. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors who directly supervised or reported on the behavior or progress of the minor. In addition, the principal may disseminate the information to any teacher or administrator who directly supervised or reported on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability. Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff. An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(4) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Unlawful Dissemination Of This Information Is A Misdemeanor." Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high

school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a "juvenile case file" means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.
